DETAILED ACTION

Examiner's Amendment

An examiner's amendment to the record appears below. Should the changes and/or additions be unacceptable to applicant, an amendment may be filed as provided by 37 CFR 1.312. To ensure consideration of such an amendment, it MUST be submitted no later than the payment of the issue fee.

Claim 13 has been cancelled in the response received and entered 17 January 2006. However, in the currently entered response received 06 June 2006, it appears claim 13 has been inadvertently omitted. Therefore, the application has been amended as follows:

Cancel Claim 13.

Examiner's Statement Of Reasons For Allowance

The following is an examiner's statement of reasons for allowance:

Claims 4 and 11 are allowed. Previously objected claim 4 has been rewritten in independent form to include all of the limitations of the base claim and any intervening claims and is now in conditions for allowance. Claim 11 is dependant on amended claim 4 and is therefore also allowable.

Claims 5-10 and 17 are allowed. Previously objected claim 5 has been rewritten in independent form to include all of the limitations of the base claim and any intervening claims and is now in conditions for allowance. Claims 6-10 and 17 are dependant on amended claim 5 and are therefore also allowable.

Art Unit: 2874

Claims 15 and 16 are allowed for the reasons indicated in the previous Office action, mailed 28 July 2005, paper number 072005. Therefore, claims 5-11 and 15-17 are allowed.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."
